- Tracked and solved tickets for defects on bug reporting tool (JIRA).

EXPERIENCE

TRAINING AND PROFESSIONAL ACHIEVEMENT

AGILE SCRUM TRAINING

TRAINING BODY

THE AGILE ADVISOR NIGERIA

Relevant Courses:

- Scrum Roles
- Building a product using scrum
- Scrum meetings, Execution and Sprints
- Long Term (Release) Planning and tracking
- Scaling Scrum

March 30 – 31th, 2019

Software Engineering

TRAINING BODY

New Horizons Training Centres

Relevant Courses:

- Relational Design
- SQL Fundamental of Query
- Object Oriented Programming
- Java Programming

Feb. 2015 – Nov. 2015

Certificate in Computer Network

TRAINING BODY

CT Computer and Management

Relevant Courses:

- Computer networking
- And troubleshooting network systems

2008 - 2009

Diploma in Computer Engineering

TRAINING BODY

Inland Computers Technology

Relevant Courses:

- Computer Repairs

2006 - 2008

Nov 2018 – May 2019 **Back-End Web Developer**

Africa Prudential Plc

- Writing back-end API endpoints for the front-end developer to consume.
- Also creating and structuring the database tables for the endpoint to use.
